

Stained Glass News

project pattern #142

The Snowflake

pattern by Justin Behnke

fabrication by Rebecca Bonga

Materials

A = Clear Crystal Ice Iridized

B = Wispy Dark Blue

C = Clear globs

D = clear jewel

E = White opal iridescent

F = 1½" Square Bevel

G = 1½" x 2½" Diamond Bevel

H = ¾" x ¾" Square Bevel

I = 3" x 3" x 3" Triangle Bevels

Enlarging this pattern by 235% will provide you with a pattern that is approximately 17½" in diameter, and the appropriate size for the bevels.
